

Hawkeye® Classic Flexible Video Borescope

Low-cost, non-articulating, high quality, and fully portable!

Made in USA

PRECISION BORESCOPES

Hawkeye® Classic Flexible Video Borescopes are the perfect choice when portability, and easy image capture, are key factors. These high quality, affordably priced video borescopes are much more durable than fiberoptic borescopes, low cost, and completely portable. Hawkeye Classic Flexible Video Borescopes come complete with video monitor, LED light source, and image capture capability, all in one, easy-to-use device.

Classic models are 8 mm in diameter, non-articulating, and come with plastic coated stainless steel gooseneck sheathing which takes a set before insertion into a cavity. Hawkeye Classic Flexible Video Borescopes are available in standard lengths of 1.5, 3.0, 6.0, and 12.0 meters. Custom length scopes are available by special order.
